About Your Teacher

LESSONS BUILT AROUND YOU

MY APPROACH

Every learner has different goals, strengths, and challenges. That is why my lessons are adapted to your level, pace, and the situations in which you actually need English.

We focus on practical communication, clearer pronunciation, stronger vocabulary, and the confidence to use English without overthinking every sentence.

WHAT YOU CAN EXPECT

A supportive and personalised learning environment where you can practise without pressure. Lessons can focus on speaking, grammar, pronunciation, business English, exam preparation, or everyday communication.

You will always know what you are working on, why it matters, and how it helps you progress.
